About Rajasthan Mahila Kalyan Mandal, Ajmer

'There's something good in every bad situation'

That's exactly what happened in July 1975, when flash floods hit the holy city of Ajmer in Rajasthan. About 250 families, many of whom were pilgrims to the famous Dargah at Ajmer, were trapped in low-lying and dangerous areas. Late Mr. Sagar Mal Kaushik, a railway employee, sprang into action to mobilize relief materials like food grains and clothes, to affected families.

This situation had given birth to a new movement. A journey of development had begun! Mr. Kaushik and his group continued forward by formalizing their work as 'Rajasthan Mahila Kalyan Mandal (RMKM)', a registered voluntary and non-profit organization. As the name suggests, RMKM aimed to work for the most vulnerable social segment – women. The organization per se began its development effort in 1987.

RMKM's work is inspired by community development strategies of Mahatma Gandhi. RMKM works with rural communities and disabled to rehabilitate them by enabling ownership over environment, institutions and communication. The organization has evolved over the years – in terms of population coverage, geographical areas, multidimensional and varied development intervention supported through dynamic development strategies with a focus on people living below poverty line, intellectually challenged, the women, the aged. RMKM strives to partner with and empower these groups to face the incongruities of their demanding home-land with the modernizing world.

In an endeavour to empower the rural population to become self-reliant against growing challenges in survival, RMKM engages in programmes that promote independence and sustainability. All our efforts ensure involvement of women with an objective to create gender neutral society.

Thematic Areas of Intervention

Education & Inclusion

Community & Mental Health

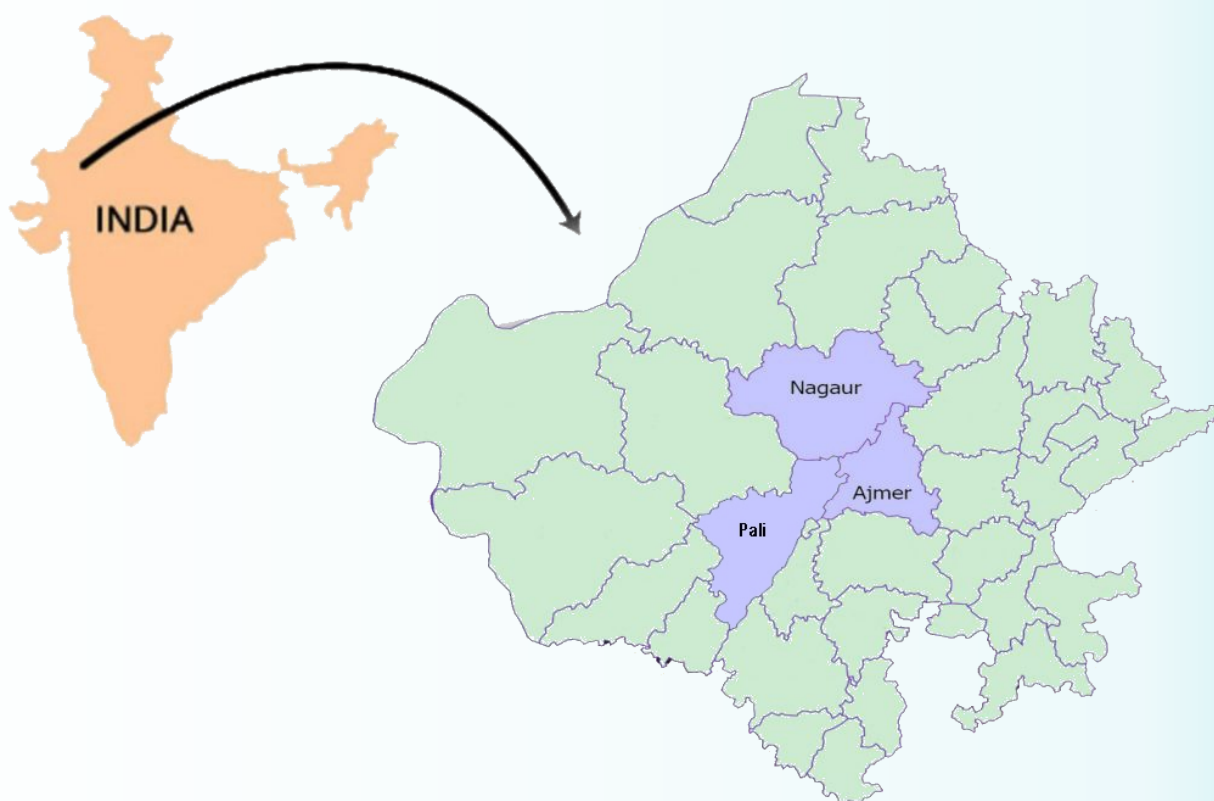

Livelihood Promotion & Micro-Credit

Human Resource Development

RMKM's reach

Surrounded by the Aravalli Hills, Ajmer is located just 14 kms from the pilgrimage town of Pushkar which is well-known as tirtha-raj (King of pilgrim sites) having an only temple of Lord Brahma and is also famous for the holy Pushkar Lake resounds with the chants and hymns from the various temples located on its banks. Pushkar is one of the most famous tourist destinations among Indian as well as international tourists.

Home to a number of tourist places, Ajmer is a perfect blend of the diversity of the Indian culture and ethics, and displays a perfect blend of religion, community, culture, etc., coexisting and flourishing in harmony. Ajmer's most famous and most-visited landmark - The Ajmer Sharif Dargah is considered to be among the holiest Muslim shrines in India as Khwaja Moin-ud-din Chishti, the Sufi saint enshrined here, keeping its doors open to all faiths and religions.

RMKM has focussed its attentions primarily in Ajmer & Pali district, with some initiatives spilling into Nagaur district as well. The organisation's operational area comprises 250 villages of these districts. Apart from this, RMKM also works in the urban and peri-urban areas of Ajmer, Beawar and Pushkar cities.

Secretary & Chief Functionary Speaks

In the March of 2020, the COVID-19 pandemic struck the world and it was at its peak in the year 2021 where millions of Indians were suffering from it, during the hit of the 'second wave'. Thousands of deaths were recorded. The economic and social condition of the country was also at its lowest, but above all, people lacked hope. As all the bad things must come to an end, so did this wave of covid and humanity came out strong on the other end. But, it did teach us a thing or two... firstly, it taught us that no matter how rich you are, you can't live forever and secondly it taught us the value of helping others.

Nobody knew what could be done after the lockdown was put but we had to help society in some way. As income sources of the lower economic strata of the society had disintegrated, so, we decided that we will do food drives for helping them with their survival and with the help of organizations like 'Vibha', 'Azim Premji foundation' and many other individual donors we helped the survival of more than 5000 families. With that, we also gave medical help to a lot of children with special needs.

For the purpose of education, our motivated staff firstly learnt the functioning of online platforms such as 'Zoom' and 'Google Meets' and then conducted online classes, made videos, and created different programs which were available in online and offline formats for children with special needs. Alongwith this, the organization gave livelihood support, and awareness programs for the lower-income strata particularly based in the neighboring rural areas and also worked for psychological support of the children with special needs.

In the end, 2021 made us strong, gave a new direction to our education system, and taught us the real meaning of 'Vasudeva Kutumbakam'. We were successfully able to help many people and none of them would have been a possibility without our motivated staff and our helpful donors.

Thank you.

Kshama R. Kaushik
Secretary & Chief Functionary

Director's Communique

Dear Friends...!!

The year 2020-21 began as one of the strongest years on record. It was difficult, but not impossible! When the scare of COVID-19 hit the world, it felt like life would come to a standstill. Despite all the difficulties, we stood up and got back on our feet. Like-wise its year of establishment, RMKM again stepped forward, since the outbreak of COVID-19, to serve the humanity. Our team has been closely and consistently working with marginalized communities particularly Persons With Disability and their families. To help the people of these communities, we provided easy access to healthcare facilities like Ambulance, Dry Ration food material, masks, sanitizers and sensitized the communities regarding COVID-19 safety protocols in the district of Ajmer. RMKM, however, came forward to assist the community in its area of presence and way beyond. We all deeply felt it was our duty to be a part of this struggle against the pandemic and to help win this fight. In actively playing this role, we engaged with the District Administration and other civic authorities to meet the requirements of healthcare workers. With the help of our supporters and corporate partners, we provided essential medical equipment like ambulance, oxygen concentrators, N95 masks, PPE kits and more across Ajmer District. We are thankful towards the Planning Commission of India who recognized our work and appointed RMKM as The District Mother (Nodal) NGO in Ajmer (Rajasthan) District, for effective coordination with other Civil Service Organizations to save the community from this pandemic. Some of the publications under this project were booklets on MGNREGA & Palanhaar Schemes that were prepared & published in local (Regional) language i.e. Marwari language to make it easily understandable by everyone on grounds and were appreciated by the Concerned and Government departments. We are joyous to share that organization was awarded as best NGO on District as well as State Level for its efforts during this period.

Going forward, our mission is to continuously empower PWDs and vulnerable communities and focus on the Five key areas of fundamental impact: Education & Inclusion, Community & Mental Health, Livelihood & Micro-credit, Human Resource Development, Child Rights & Child Protection Issues. We would like to thank the wonderful team of RMKM, ably led by the Chief Functionary Mrs. Kshama R Kaushik and the Governing Board Members.

Happy Reading.!!

Rakesh K Kaushik
Director

In its endeavour to support the Government of India's goal of 'Education for All', RMKM, since 1988, has addressed the needs of children with disabilities through special education, especially those with intellectual disabilities. RMKM believes that Inclusive Education is the best way for the development of both Children with Special Needs (CWSN) and non-disabled children.

RMKM runs two inclusive schools for CWSN and non-disabled children, namely, Sanjay Inclusive School at Beawar and Minu Manovikas Mandir Inclusive School at Chachiyawas in Ajmer. Moreover, it also runs Day Care Centres, Early Intervention Centres, Community Based Rehabilitation & Vocational Training Centres in Ajmer district. RMKM reached approx. 1500 CWSNs directly through its various interventions –

Minu School,
Chachiyawas,
Ajmer

Pushkar

Services provided by Centers

- Special Education
- Community Based Rehabilitation
- Physiotherapy
- Speech Therapy
- Psychotherapy
- Medical Check-up
- Special Olympic Training
- Vocational Training
- Parent Counselling
- Early Intervention Program
- Residential Facility
- Placement of persons with disabilities

Social Entitlements 2020-21

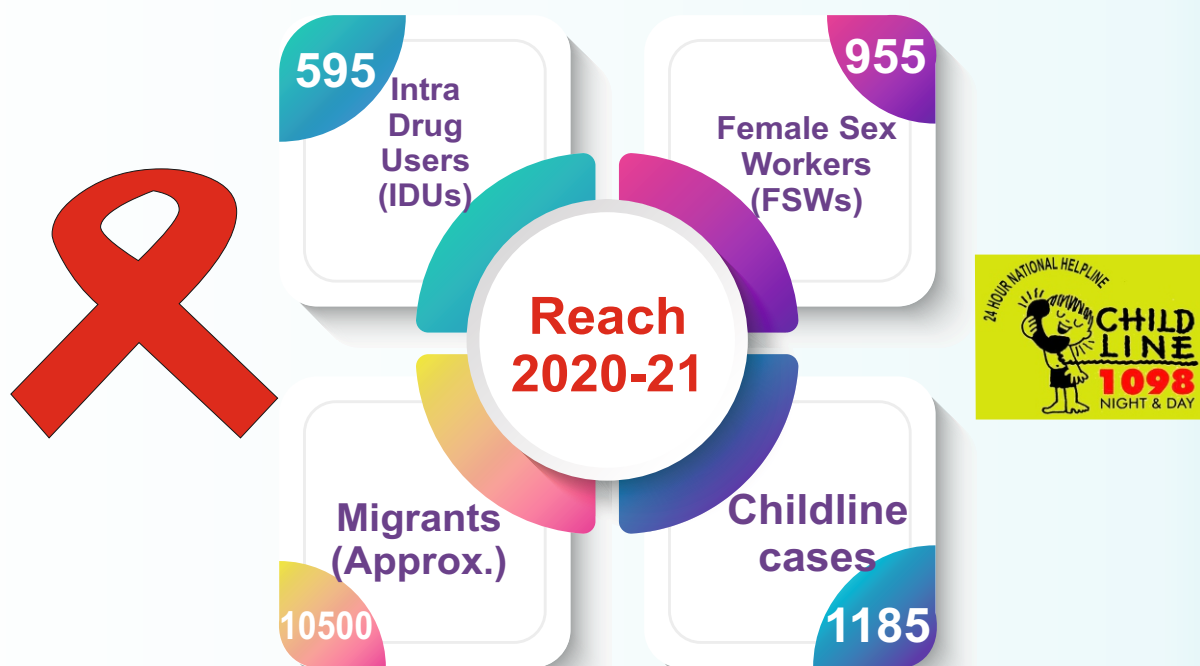

Ajmer and Pali has a significant part of vulnerable population susceptible to HIV/AIDS, including female sex workers, out-migrants and substance abusers. RMKM's community and mental health programs include interventions in the areas of generating awareness about HIV/AIDS, providing health services, health counselling and health camps.

HIV/AIDS-Intra Drug Users (IDUs), Female Sex Workers (FSWs) & Migrants

- **IDU** - Generate awareness about HIV/AIDS, providing health services, and improve the quality of life for IDUs through early intervention, health counselling and health camps.
- Promote safe injecting practice through needle-syringe exchange programmes. Provide new disposable needles and syringes to IDUs.
- **FSW** - Promote use of condoms for the prevention of HIV/AIDS and Sexually Transmitted Infections (STI)
- Counselling to in and out migrants about prevention of HIV/AIDS

Childline : 1098 (24x7 Help Line)

Childline : 1098 (24x7 HelpLine) With the help of **Ministry for Women and Child Development and Childline Foundation Mumbai**, RMKM is working as collaborative organization and running a 'Childline call centre' from July 2011. 1098 is a 24 hour toll-free help-line number which provides help in 60 minutes to the child who need help.

“Empower the socially deprived, especially women, through education, awareness building, natural resource management, health education, capacity building and microcredit programmes.”

Goat-Based livelihood Enhancement Program

RMKM launched the Goat based Livelihood Enhancement Program in August 2012 in 5 villages from Silora block, with an objective to provide additional scope of livelihood for people below poverty line. The project mainly aimed at empowering women, through below focused interventions, with support of our knowledge partner, The Goat trust, Lucknow. **This intervention has benefited 2528 goat rearers.**

Micro - Finance Program

Women self-help groups (SHGs) have been formed in 84 villages from Shree-nagar, Jawaja and Silora blocks with an objective to strengthen village women socially and economically. The SHGs are also connected on village level to Lakshmi Kalash Mahila Federation for small loans.

Under this program, **4355 women members** are linked to 418 SHGs. Also 84 beneficiaries served through Loan by RangDe, Bangalore.

COVID Rural Livelihood Response (CRLR) Program In Jawaja & Silora Blocks

The COVID-19 pandemic and subsequent lockdown announced by Central Government and respective State Governments (in multiple phases) have significantly affected the lives of many, especially the most vulnerable communities with whom you work. This pandemic has resulted in a widespread slowdown in economic activity across the country. In rural areas, particularly, there was a significant loss of agricultural produce as well as a fall in income from poultry and livestock.

To support the well-being of vulnerable communities in two blocks- Silora (35 villages) and Jawaja (60 Villages)- of Ajmer District of Rajasthan to cover sixteen thousand households in an integrated manner, a top-up grant was approved to the existing grant to accomplish below key interventions:

- Accessing employment in MGNREGA.
- Accessing to Pension Schemes.
- Accessing other entitlements under social security schemes.
- Revival and expansion of a Pashu Sakhi model and providing fodder to support goatery.

■ Social Security Scheme's Beneficiaries -14123

■ Goat Fodder Beneficiaries -2150

■ De-worming & Vaccination Beneficiaries -1766

■ Ration Distribution During Covid-19 -1000

■ SHG & Micro Finance Beneficiaries-400

Hariram Gurjar & his wife started availing old-age pension-

He is living with his wife in village Keriya Ki Dhani, facing much difficulties in daily living as they don't have any means of earning as they belong to poor economic background. This livelihood program helped many families and Hariram among one of them. During the survey done under CRLR program of RMKM, we got to know about Hariram, asked them about old-age pension facilities. They were not aware of about this, so we took their documents for further process. Earlier they used to get pension from Jaipur district and so were facing many problems as they belong to rural area so wanted to shift the source of pension. We then talked to the panchayat and registered their names through E-Mitra portal and de- registered both their name from Jaipur. After which they got approval of getting the amount of Rs. 1500/month as pension to both. They are very happy and so thanked to RMKM team as well as APPI for the support and help.

Manbhar Devi, connected with Widow pension & Palanhaar Yojna-

She, along with her 3 family members including her daughter, son and mother-in-law used to live in village- Raghunathpura belonging to poor economic background and is the only responsible person to feed her family. During survey, we got to know about the financial and physical problems faced by Manbhar devi, being her widow and a Person With Disability. We supported her in availing widow pension & Palanhaar Scheme by the Government, checked her documents and asked her to update and correct them with the required information. After updations, we registered her daughter Indira Chaudhary in the school, submitted the studying form to connect her with the scheme Palanhaar provided by Government. Very soon, she got enrolled in Palanhaar Yojna and an amount of 14000/- will be given to them on yearly basis to help them out in their financial problem. They were happy and thankful to the RMKM & APPI for the help and support.

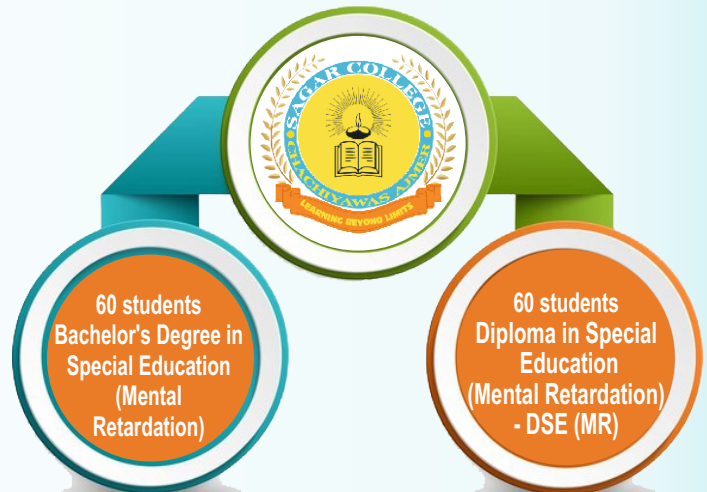

Programmes

Human Resource Development

Human resource department is the backbone of any organisation. When appropriately trained and mentored, it has the potential to reach new heights of success.

RMKM's efforts has always been towards building holistic and inclusive community in its area of work. To ensure a secure tomorrow for Children with Special Needs (CWSN), it also called for special efforts of building capacity of today's youth. RMKM founded Sagar College, where young students could pursue courses on 'Special Education'.

RMKM Response to COVID- 19

Preface:

The world right now may feel like an uncertain and uncompromising place, but we remain certain of two things. The need to uplift the spirits of those around us, and the necessity of continued action and support within the communities we serve- those who will be hit hardest by this global crisis. Though the risk factor is still high but everyone has a positive feeling that we will sooner get free from the grasp of this Corona Virus. The consequent lockdown has helped to curb the spread of the virus, but also affected badly the daily wage workers. As soon as the Lockdown announced, RMKM took action to support needy ones during this wake of the disruption due to COVID-19 Outbreak.

Activities accomplished under COVID-19 Relief :

In the wake of the disruption that this global health crisis has caused and the measures being taken across the world to contain and manage the spread of COVID-19, RMKM also took various initiatives at Ajmer District for the beneficial of the needy ones to support them during this pandemic. **Some of them are highlighted as below:**

1. Helpline 24 X 7:-

We started 24 X 7 helpline for the needy ones who can call and ask for assistance. After authentication, RMKM team provided the ration material of approx. Rs. 700/- for 10 Days.

2. Distribution of Food materials:-

Provided essential food materials of approx.. Rs. 700/- (for 10 Days) viz. Wheat Flour-10Kgs, Gram Pulse-1 Kgs, Salt-1Kg, Chilli powder-100Gms, Rice-1 Kgs, Sugar- 1Kg, Turmeric Powder, 100 Gms Tea packet to those who belong to poor economic background, mostly daily wage labourers to help sustain their health during lockdown. Through Helpline, we received numerous calls asking for help. So

RMKM's Response to COVID-19

to maintain high-level transparency, this year also we followed the practice of online documentation i.e. Google Forms during distribution of Ration Kit to maintain the online record of each n every distribution and enabled us in sound monitoring of whole process.

3. Implementation of Hygienic Practices:- Generally, these communities are less educated, and unfamiliar with hygiene practices. Hence, we provided Two Dettol Soaps and also made them learnt the correct way of washing hands to save themselves from virus.

4. Medical support & Masks Distribution:-

Those who are suffering from HIV /AIDS and could not able to reach hospitals due to lockdown, RMKM reached them with the required medicines and necessary food materials to help them sustain themselves. Also distributed masks to community to prevent the spread of the virus.

5. Counselled about Aarogya Setu App:-

After realizing the importance, RMKM counselled its staff as well as beneficiaries to download Aarogya Setu App and support the Government to fight against this health crisis.

6. Employees' Safety:-

All the precautionary and preventive measures taken by RMKM to mitigate the risk of the coronavirus spread and safeguard its employees viz. COVID-19 document was circulated to all employees with necessary do's and don'ts, Masks were distributed to all employees, Hand sanitizers made available on all workstations, Office premises was deeply sanitised etc.

7. Online training support to Children With Special Needs (CWSNs) & their families:-

During the Lockdown, it became the biggest challenge for the parents of CWSNs to handle them at home and restraining them from going outside. To overcome this, our special educators started providing training through digital media & telephonic counselling which kept CWSN busy as well as their developmental process remained interrupted. Also shared educational posters with parents that we developed last year to keep the CWSNs engaged at their homes and support parents to handle them in a creative manner.

Acknowledgement by The District Administration:

We would like to express heartfelt thanks towards the Planning Commission of India who recognized voluntary sector efforts & appointed Mother (Nodal) NGOs in every district and in Ajmer(Rajasthan), appointed RMKM as The District Mother (Nodal) NGO for effective coordination with other Civil Service Organizations to save community from this pandemic. We are also thankful towards District Administration who acknowledged our work.

Distribution of Fodder Kit (5kgs/family) to 5000 families.

3604 Ration (Food) kit to 3532 families having 11218 family Members, 11218 Masks.

Provided 100 PPE kits,

Organized the camp for prioritized vaccination of PWDs where 96 PWDs & care-takers got vaccinated.

Volunteering Programs

*Volunteers have an attitude of gratitude and a commitment to serve.
We are humbled by the generosity and selflessness of our volunteers.*

Everybody can be great because anybody can serve. You don't have to have a college degree to serve. You only need a heart full of grace. A soul generated by love. We have about 100 volunteers each year, both national and international. This time, due to COVID-19 restrictions, around 15 interns marked their presence at organization. RMKM has hosted many volunteers and interns from different backgrounds and esteemed universities in India & abroad as below:

National :- Center University of Rajasthan, Xavier Institute of Management & Entrepreneurship, Mayo College Ajmer, Tata Institute of Social Science, Jaipur National University, UPES Dehradun, Tilak Maharashtra Vidhyapeeth, Mayur School Ajmer, Auro University (Surat) Gujrat, Amity University Noida, MDU Rohtak, O.P Jindal Global University, NMIMS Hyderabad, SPJIMR, Sophia Girls College Ajmer.

International:- University of St. Andrews.(UK), CEU San Pablo University (Spain), The University of Navarra (Spain), The University of Barcelona (Spain), Francisco De Vitoria University (Spain), The University of Valencia (Spain), Universidad Autonoma de Madrid (UAM-Spain), Crescents School, Canada

Volunteers at RMKM often rate the experience as one of the best of their lives. They become great friends with the children & Community and thoroughly enjoy their stay - so much so, that they stay in touch or come visit us again.

We would like to welcome many more national/ international volunteers who have the dedication and passion to share their professional excellency towards building an inclusive and empowered society.

You have dashing skills, we have amazing Volunteering Programs : To explore volunteering opportunities, please visit <https://rmkm.org.in/volunteering-programme/>

FORM NO. 10B
[See rule 17B]

**Audit report under section 12A (b) of the Income-Tax Act, 1961,
in the case of charitable of religious trusts or institutions**

We have examined the Balance Sheet of **Rajasthan Mahila Kalyan Mandal Ajmer** as at 31.03.2021 and the Income & Expenditure Account for the year ended on that date which are in agreement with the books of account maintained by the said institution.

We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of the audit. In our opinion, proper books of accounts have been kept by the head office the above named institution so far as appears from our examination of the books.

In our opinion and to the best of our information, and according to explanations given to us, the said accounts give a true and fair view -

- (I) in the case of the Balance Sheet, of the state of affairs of the above named institution as at 31.03.2021 and
- (II) in the case of the Income & Expenditure Account, of the Excess of Income over Expenditure of its accounting year ending on 31.03.2021

The prescribed particulars are annexed hereto.

Credibility Alliance Norms and Compliance Report

Origin and brief history of the organization: RMKM - It all began in 18th July 1975 when a flash flood hit the holy city of Ajmer in Rajasthan. Late Mr. Sagarmal Kaushik a railway employee came forward to mobilize relief materials for flood victims. He continued his efforts in different social work activity and this led to the origin of RMKM.
