ABOUT US

Rajasthan Mahila Kalyan Mandal (RMKM), established in 1975, is dedicated to uplifting underprivileged communities and empowering the Persons With Disability (PWDs), inspired by Mahatma Gandhi's strategies. Focusing on education, inclusion, health, and livelihood promotion, RMKM supports around 2500 individuals with disabilities and high-risk populations. Through micro-credit programs, over 4500 women in 200 villages have gained self-reliance. The organization also trains teachers in special education and advocates for child rights and protection. RMKM's efforts have significantly impacted the lives of the underprivileged, fostering a more equitable and empowered society.

OUR MISSION

We aim to empower deprived children, women, youth, and elderly through education, skills, healthcare, and livelihood support, fostering self-reliance and independence in society.

OUR VISION

Our vision is to create a healthy and empowered society that values and respects the equality of all individuals, capable of initiating and sustaining development effectively.

OUR OBJECTIVE

Our objective is to empower the PWDs through inclusive education and vocational training, improve the standard of life for the underprivileged, especially women through education, health, and environment initiatives, and promote social equality and self-reliance in the community.

FROM CHIEF FUNCTIONARY

As we reflect on the achievements of Rajasthan Mahila Kalyan Mandal (RMKM) in 2023-24, I am filled with immense pride and gratitude. Our journey of empowering communities, promoting inclusion, and ensuring justice for children has continued to create lasting change.

This year, our initiatives in inclusive education, livelihood promotion, child protection, and health services have reached thousands of individuals across seven districts in Rajasthan. Through unwavering commitment, we have ensured access to education for children with disabilities, economic stability for marginalized families, and protection for vulnerable children. The inspiring stories of the people we work with remind us of the real impact of our work.

None of this would be possible without the tireless dedication of our team, the trust of the communities we serve, and the invaluable support of our partners and stakeholders. As we move forward, RMKM remains committed to fostering an inclusive and just society where every individual has the opportunity to thrive.

Thank you for your unconditional support.

Kshama R Kaushik
Secretary & Chief Functionary, RMKM

FROM DIRECTOR

The past year has been a journey of growth, resilience, and transformation for RMKM. Our unwavering commitment to inclusive development, social justice, and community empowerment continues to strengthen lives and pave the way for a brighter future.

Through our work in early intervention, special education, vocational training, and child rights advocacy, we have touched countless lives. From preventing child marriages and providing assistive devices to supporting families through sustainable livelihoods, each milestone reaffirms our belief that every small effort leads to a significant impact. A testament to this belief is Adwait, Rajasthan's first early intervention center for children aged 0-6 years, which offers comprehensive therapies under one roof—a true reflection of our commitment to leaving no child behind.

I extend my heartfelt gratitude to our dedicated team, volunteers, donors, and community partners who have stood by us throughout this journey. With your continued support, we will expand our reach and work toward building a more inclusive and empowered society for all.

CHANGING SUKHPAL'S LIFE FOR BETTER THROUGH INCLUSIVE EDUCATION

Sukhpal, an 11-year-old with an intellectual disability, struggled with classroom behavior—he was unable to sit still, displayed stubbornness, disrupted activities, and avoided social interaction. He also refused to participate in learning and often tore worksheets. His parents, worried about his future, learned about Minu Manovikas Mandir Inclusive School and decided to enroll him.

Initially withdrawn and resistant, Sukhpal found support through patient guidance and structured learning techniques such as visual aids, hands-on activities, and positive reinforcement. His teachers worked to build trust, encouraging gradual participation. Over time, he showed remarkable progress—following instructions, engaging with classmates, and joining classroom activities.

Today, Sukhpal is an active participant in school life. He remembers names, takes care of his belongings, and counts numbers. He has learned to write basic alphabets, wear his shoes independently, and greet his teachers. He also enjoys sports like running, skating, and ball games with his peers.

His parents, once anxious, now feel hopeful about his future. They were amazed at his transformation and grateful for the inclusive learning environment that helped him grow.

COMMUNITY & MENTAL HEALTH

In 2023-24, RMKM continued its commitment to early intervention through the Adwait Early Intervention Centre, supporting 43 children aged 0 to 6 years with developmental impairments and disabilities. Adwait provides a comprehensive range of services, including occupational therapy, speech and language therapy, and physiotherapy, ensuring timely and specialized support. This year, through Adwait, we provided 9600 therapies.

By addressing developmental challenges at an early stage, Adwait maximizes cognitive growth, fosters independence, and enhances the quality of life for children. This proactive approach remains a cornerstone of RMKM's health initiatives, empowering children to reach their fullest potential through tailored therapeutic interventions.

PARIDHI'S JOURNEY - FROM SILENCE TO SOUND

In Ajmer, Rajasthan, 4-year-old Paridhi was born into a world of silence. Despite her sparkling eyes and infectious smile, she struggled to hear and speak, her words limited to mere fragments. Her father, Paras Mal, worked tirelessly, earning Rs. 10,000, while her mother, Puja Tailer, balanced caregiving and household duties. Their modest income made accessing medical care difficult, but they were determined to help their daughter.

Their search for solutions led them through hospitals and medical tests, culminating in an operation at Janana Hospital. Yet, challenges persisted. That's when Kalpana Chauhan, a CBR worker from Rajasthan Mahila Kalyan Mandal (RMKM), stepped in, guiding them through medical certifications and social support.

Paridhi was enrolled at **Adwait Early Intervention Centre, Panchsheel Ajmer.** A special educator, Surendra Guru, suggested cochlear implant surgery to improve her speech. After medical evaluations, Shri Devi ENT Hospital, Bhilwara, scheduled her surgery.

On August 5, 2023, Paridhi's life changed forever. Her laughter, once trapped in silence, finally found its voice. Through RMKM's efforts, financial support from the ADIP scheme, and Alia Varjang's generosity, her cochlear implant became a reality.

Her parents, overwhelmed with joy, expressed deep gratitude to RMKM. Paridhi's journey from silence to sound is a story of resilience, love, and a community's unwavering support—turning a little girl's dreams into reality.

LIVELIHOOD & MICRO-FINANCE

RMKM's vocational training, skill development, and income generation programs play a vital role in promoting sustainable livelihoods and empowering socially deprived women. By offering microcredit and supporting self-help groups (SHGs), RMKM enables women to save and access small loans, overcoming challenges in obtaining credit from formal institutions. Additionally, RMKM's initiatives like "Gift a Goat" and loans for goat husbandry under Lakshmi Kalash Federation empower poor families with sustainable income opportunities.

JAMILA'S JOURNEY TO A BETTER LIFE WITH GOAT FARMING

Jamila's life was full of challenges and uncertainty. Her family faced severe financial hardships, relying entirely on her husband's modest income as a daily wage laborer in a local marble factory. With three children to care for and rising household expenses, survival was a daily battle. His earnings barely covered their basic needs, leaving no room for savings or future planning.

Everything changed when Rajasthan Mahila Kalyan Mandal (RMKM) introduced Jamila to the Goat Farming Livelihood Program. She received training and financial support to start her small goat farm. Initially, it was overwhelming—she had no prior experience—but with determination and RMKM's guidance, she embraced the opportunity.

Starting with just a few goats, she learned to manage their feeding, breeding, and healthcare.

Over time, her herd grew, and today, she owns six healthy goats, with one providing a liter of milk daily, earning her ₹60 per liter. This steady income significantly eased her family's financial burden.

For the first time, they feel a sense of stability. Her husband is no longer the sole provider, and they can even save for the future. Beyond financial relief, Jamila has gained confidence and respect in her community. Her success has inspired other village women to explore goat farming as a livelihood.

Jamila's story is a testament to how hard work, resilience, and the right support can transform lives. Today, she and her family no longer live in fear of financial instability. Instead, they look forward to a brighter, more secure future for their children.

CHILD RIGHTS & PROTECTION

Rajasthan Mahila Kalyan Mandal (RMKM) collaborated with Kailash Satyarthi Children's Foundation (KSCF) to promote Access to Justice in Rajasthan. Their efforts span across Ajmer, Churu, Jhunjhunu, Nagaur, and Bikaner, working to protect children's rights and ensure justice for vulnerable communities in these districts.

CHALLENGING TRADITIONS TO ENSURE THERE ARE NO CHILD BRIDES

In many villages, deep-rooted conservative norms continue to dictate the lives of children, often at the cost of their future. Families, struggling under social and economic pressures, sometimes see early marriages as a solution to financial burdens. Breaking this cycle and persuading them to prioritize their children's well-being remains a significant challenge.

In a remote village in Nagaur district, Rajasthan Mahila Kalyan Mandal (RMKM) received a distressing report under the 'Access to Justice for Children' program. The information revealed that two underage girls, aged 13 and 15, were set to be married on November 23, 2023. Further investigation uncovered a grim reality—these young girls were being forced into marriage with men nearly twice their age, around 35 to 36 years old.

Alarmed by this, the RMKM Nagaur team acted swiftly. They reported the case to the District Legal Services Authority, leading to immediate intervention.

Authorities, including the local judicial service committee, sub-divisional officers, and police, were instructed to prevent the marriages.

As the crackdown unfolded, Medata City witnessed a major upheaval. The RMKM activists faced intense backlash and even threats from local politicians who resisted interference in traditional customs. Despite the resistance, officials served notices to the girls' families, ensuring that the marriages were stopped.

At the venue, RMKM activists found the young brides dressed in wedding attire. With unwavering determination, they explained the devastating impact of child marriage, ultimately convincing the families to abandon the ceremonies.

HUMAN RESOURCE DEVELOPMENT

RMKM recognizes the pivotal role of Education and Knowledge in shaping lives. Skilled personnel enrich diverse sectors. Teachers empower youth, simplifying complexities and making learning accessible. Equal education rights extend to children with disabilities; a specialized teacher pool caters to them. Programs like Bachelor's & Diploma in Special Education and Yoga Therapy, foster holistic growth. Well-equipped facilities including digital classrooms, library, and hostel enhance learning.

Bachelor's Degree in Special Education (Intellectual and Developmental Disabilities/ Mental Retardation) [B. Ed. SE MR/ID]

Diploma in Special Education (Intellectual and Developmental Disabilities) [D. Ed. SE ID]

Post Graduate Degree in Yoga Therapy [PGDYT]

Diploma in Special Education (Hearing Impairment) [D. Ed. S.E (HI)]

Till now 455 students have received their D.Ed degree & 230 students have received their B.ED degree

SUNITA EMPOWERING INCLUSIVE EDUCATION

Sunita Saran, from a humble middle-class family, grew up in a supportive environment where her parents, Visharam Saran and Sugni Devi, nurtured her dreams with love and care. Raised in the village of Nehru Nagar, Sunita was always driven by a desire to do something meaningful, despite facing her own share of life's challenges.

After completing her secondary education, Sunita found her true calling in special education. Guided by RMKM, she pursued a Diploma in Special Education (SE-MR) from 2016 to 2018. This wasn't just a course for her—it was a turning point. Her time at RMKM opened her heart and mind to the world of children with special needs, and she knew she had found her purpose.

From 2018 to 2020, Sunita worked at RMKM as a special educator, gaining hands-on experience and building lasting bonds with the children and community.

Her hard work paid off when she cleared the Rajasthan Government's Special Teacher Recruitment Exam in 2021. By July 2022, she was appointed as a special educator in the villages of Kanaiya, Dhabakheda, and Ambaheda.

But her journey didn't stop there. Sunita stayed connected with RMKM and continued collaborating with PEEO and CBO offices, always striving to make education more inclusive.

Her dream? To create a world where every child, regardless of their abilities, gets a chance to shine. Sunita's story is one of compassion, dedication, and hope.

SOCIAL AUDIT TOOL FOR CITIZEN ENGAGEMENT & GOOD GOVERNANCE

Social Audit is extracted from latin translation (Auditre). Social Audit goes beyond financial Audit. Social Audit came into existence from 1982. Social Audit is a tool of transformation which ensures justice for its citizen in a democratic way.

This tool curbs marginalization, exclusion, vulnerability and so on. It is a process of verification by people to find gaps in the process, quantity, quality and utility of the schemes. Every goverment schemes and programs has to be audited by the people for their empowerment. Social audit is conducted in all levels of government (Panchayat level, block level, District level and state level).

Social Audit promotes accountability and transparency for the people. Every citizen must be part of social audit of all the schemes and programs implemented by the government. Every citizen should think that it's my money and my accounts and participate in Social audit. India is a democractic country so be part of social audit says Dr.Sam Sangeeth, Assistant professor of Social Work, Mar Gregorios College of Arts and Science, Chennai.
